

Free Teacher Market Opening Fall 2010

We need your gently used, unwanted items!

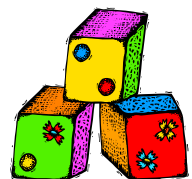

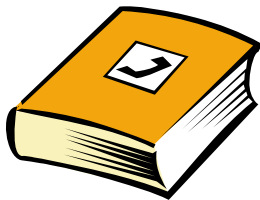

The Polk Education Foundation is opening a Free Teacher Market this Fall. Items collected for the market will be available free of charge, to Polk County public school teachers. We need your help collecting items to stock the market, so anytime you clean out a drawer or closet, please think of us!

Items that can be used, but are not limited to:

art supplies
organizational materials
office / school supplies
books
holiday decorations
costumes
maps and globes

magazines
children's toys and games
containers of all shapes and sizes
greeting cards (new or used)
videos
musical instruments
(no electronics please)

Teachers are very creative, so items you might not think of as "usable" really are! Donations of new items as well as monetary donations will be accepted to stock the market. All donations made to the Polk Education Foundation are tax deductible.

Call 863-534-0519 or email louann.antonelli@polk-fl.net to arrange a pick up.
